

## **PE and Sport Premium Funding 2016 -2017**

Our school receives £8526 to help support out Physical Education and Sporting provision. This funding has given us the opportunity to focus on our priorities for PE and sport in school and will enable sustainability in the future. During the academic year 2016-2017 we increased our participation in the events offered by the University Church of England Academy Sports Partnership. Mr Bartlett populated our website with details of the events we took part in and we found much to celebrated for individuals and teams.

At Westminster Community Primary School we value the funding provided to us to enhance our PE work. We recognise the importance of ensuring our children have a good understanding of being healthy in the fullest sense. We educate the children about healthy food choices, healthy activity choices and the importance of water, fruit and vegetables in their diet. We endeavour to provide a good PE and Sport Curriculum for our children in lessons and during clubs. We also include sessions on emotional and mental health in our lessons.

### **We know from reviewing our work that:**

- A daily 2km walk for all children helps improve their fitness and this can be effectively complemented by a termly 5km event.
- Family members engage well with our 5km events, Danceathons and Sports days and appreciate the team events their children can attend.
- Our children enjoy physical sessions at Breakfast Club.
- We benefit from belonging to the University Church of England Academy Sports Partnership as it gives us access to sporting events with other schools, the Sports Ambassadors programme and Continuing Professional Development opportunities.
- Booster swimming session in Year 6 this year were beneficial to our children who could not yet complete 25m. All children showed a positive attitude to improving their skills in these sessions.
- Some children have not been swimming before when they enter school and this makes our EYFS swim course particularly important.
- Our residential trips give good opportunities for children to learn outside the classroom.

| <b><u>Aim</u></b>   | <b><u>We meet this by</u></b>  |
|---|--|
| To have young people taking a lead in our healthy lifestyles work.  | Ensuring our Sports Ambassadors help to organize events with staff.<br><br>Promoting our events to families, e.g., our termly 5km events   |
| To improve our promotion of daily physical activity.  | Including physical activities at Breakfast Club<br>Promoting 'A Daily 2 is good for you' through use of the red line in the playground.  |
| To provide clubs that enable children to develop their performance in a range of different sports.  | Providing sports activities at Breakfast Club daily.<br><br>Encouraging members of our school team with sporting expertise to run clubs.   |
| To provide PE lessons that enable children to develop their performance in a range of different sports. For staff to have a clear understanding of how to engage the children and develop their skills. | Providing swimming lessons for all our pupils from Reception through to year 6.<br>Staff training opportunities and continuing professional development.<br>Joint PE work between staff.   |
| Build on the Olympics experience and the sharing of professional sports people and the commitment involved.   | Inviting a Sporting Champion to give a motivational talk to our school community and visit each of the classrooms at least annually.   |
| To encourage our pupils to take part in competitive sports both within school and in local sporting competitions and events.  | Organising sporting events for our House Teams in school.<br>Competing in inter-school competitions.<br>Arranging minibus transport for teams.<br>Paying for membership of the Sports Partnership.<br>Arranging for identified groups of children to attend significant sporting events to motivate and inspire them as well as to improve their overall performance.<br>Ensuring the children have the appropriate kit. |
| To purchase adequate equipment.   | Purchasing replacement stock and resources which will encourage physical activities and the development of certain skills during play and lunch times.   |
