

**At Westminster Community Primary School we pledge to understand what bullying is and how it can be prevented.**

**We know that bullying is not just a falling out or a disagreement when it happens 'Several Times On Purpose'. We also know that help is needed 'So Tell Other People'.**

**Together we can STOP bullying.**

**This is how we will do it:**

- Treat others the way that we want to be treated.
- Think before we act or speak.
- Support other people by reporting any use of unkind words or actions that are witnessed.
- Not taking part in any form of bullying (laughing, watching, verbal, physical or cyberbullying).
- Work together to prevent any kind of bullying.
- Help one another to know how friends behave.

**If bullying does happen this is what we can do about it:**

- Tell someone you trust (Teacher, A member of staff here, a friend, someone in your family.)
- Write it down and pass it to an adult you trust.
- Remember – a problem shared is a problem that you can be helped with.
