

# What Makes Us All Different?

- The way we look
- The things we like
- What we want to do.
  - Where we live.
- The things we have.

# What makes us all the same?

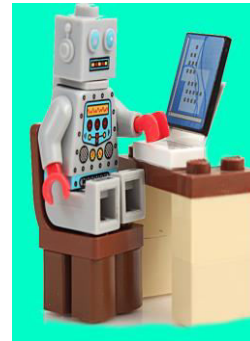

- We want to have friends.
- We want to be safe.
- We want to be happy.
- We want to feel included.

We all think and we all feel.

# What If Nothing Was Different?

- You wouldn't be able to talk about new things
  - You'd all have the same idea
  - All food would be the same
- There's be nothing exciting or new
  - **We'd all just be like robots!**

# What makes us different is what makes us... Us!

- By having things that are special about us we stand out in different ways, and that's what makes us unique.
- We should celebrate what makes us special, not be nasty about the things that are different in others.
- If you pick on somebody for something that makes them different, that makes you a **BULLY!**

**“How we can use  
our strength  
together to end  
bullying?”**

**“We need to know
