

### **PE and Sport Premium Funding 2020 - 2021**

We are proud to have achieved the Silver School Games Mark Award for our good work in 2016-2017, and Gold status for 2017-2018 and 2018-2019. We received recognition for our continued good work in 2019-2020, but the year was interrupted by Coronavirus so our work in Summer Term 2020 had to be adapted.

Our school received £16988 to help support our Physical Education and Sporting provision in 2019-2020 and you can find the review of this spending in last year's document.

The funding we receive gives us the opportunity to build on our School Games Mark Success and enhance our work. We value the role of PE and sport in our school and meet some of the costs from our own budget. We are working to find sustainable ways of maintaining our provision.

We recognise the importance of ensuring our children have a good understanding of being healthy in the fullest sense. We educate the children about healthy food choices, healthy activity choices and the importance of water, fruit and vegetables in their diet. We endeavour to provide a good PE and Sport Curriculum for our children in lessons and during clubs. We also include sessions on emotional and mental health in our lessons to ensure our children understand the fullest sense of being healthy.

#### **We know from reviewing our work that:**

- We benefit from belonging to the University Church of England Academy Sports Partnership because it gives us access to sporting events with other schools, the Sports Ambassadors Programme and Continuing Professional Development opportunities.
- Residential trips give good opportunities for children to learn outside the classroom and engage with new and challenging activities.
- A daily 2km walk for all children helps improve their fitness and this can be effectively complemented by a termly 5km event.
- Family members engage well with our 5km events, Danceathons and Sports days and appreciate the team events their children can take part in throughout the year.
- Our children enjoy physical sessions with visitors.
- Some children have not been swimming before when they enter school and this makes our EYFS swim course particularly important.
- Booster swimming sessions are beneficial to our Year 6 children that have not reached the expected standard at the end of their curriculum lessons.

Year 6 pupils able to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations	
July 2017	16/18 = 89%
July 2018	15/18 = 83%
July 2019	11/12 = 92%
July 2020	9/11 = 82%

**We believe that as a result of our work we have the following impact:**

- Pupils are physically fitter.
- Pupils have improved access to sporting opportunities and competitive events.
- Pupils have quality residential experiences where they develop their self-confidence, pride in achievements, independence and ability to goal set.
- Pupils have an increased understanding of the impact of physical activity on emotional and mental wellbeing.
- Pupils are safer as a consequence of extra swimming tuition.
- Pupils have additional opportunities to lead, e.g, Sports Ambassador positions for pupils in Year 5 and 6.

<u>Aim</u>	<u>We meet this by</u>	<u>Proposed Cost</u>	<u>Actuals</u>
To provide clubs that enable children to develop their performance in a range of different sports.	Paying for coaches to run clubs to increase our sporting offer.	<b><u>£4000</u></b>	Clubs not in place owing to COVID pandemic. <b>£4249</b> spent enhancing play areas instead. Cheshire Dance Company delivered CPD to all staff at the reduced cost of <b>£50</b> to improve our dance curriculum.
Continue to build on the children's knowledge of The Olympics by inviting Sporting Champions to speak with and work with our children and staff.	Inviting a Sporting Champion to give a motivational talk to our school community and visit each of the classrooms at least annually.	<b><u>£500</u></b>	No spend owing to COVID restrictions on visitors in school.
To encourage our pupils to take part in competitive sports both within school and in local sporting competitions and events.	Being a member of the School Sports Partnership. Arranging for identified groups of children to attend significant sporting events to motivate and inspire them as well as to improve their overall performance. Arranging for staff cover to facilitate these events. Ensuring children have the appropriate kit and access to water and snacks. Arranging minibus transport for teams. Organising sporting events for our House Teams in school. Competing in inter-school competitions.	<b><u>£3500</u></b>	School Sports Partnership Costs <b>£1200</b> Trundle wheel to measure new path on field <b>£30</b> Quotes sought for markings on the playground to but this was done in-house summer 2021 <b>£85.20</b>
To actively promote the benefits of increased physical activity.	Promoting 'A Daily 2 is good for you' through use of the red line in the playground and utilizing the space on the school field. Promoting clubs, school team achievements, individual achievements. Providing quality residential experiences for pupils in Year 6.	<b><u>£7500</u></b>	Owing to COVID we changed our focus and invested in continued improvement to Forest School. 2 Members of staff engaged with continued Forest School training which was funded, but we paid additional hours to cover time used for this. <b>£511.96</b> Preparation of hard standing by SMO <b>£156.24; £13.32</b> on Forest School cooking equipment; Outdoor clothing fleeces <b>£728.80</b>

			Waterproof clothing <b>£659.95</b> Residentials cancelled owing to Covid ( <b>£313</b> for non-refundable deposit). A Y6 day trip was planned to replace residential but this was cancelled. Non-refundable Coach cost of <b>£480</b>
To have young people taking a lead in our healthy lifestyles work.	Ensuring our Sports Ambassadors help to organise events with staff. Promoting our events to families via weekly newsletter/website/Twitter. Attendance at celebration events.	<b>£250</b>	Minimal spend on this area owing to lack of activities.
To provide PE lessons that enable children to develop their performance in a range of different sports. For staff to have a clear understanding of how to engage the children and develop their skills.	Providing swimming lessons for all our pupils from Reception through to Year 6. Identify children for top-up swimming and provide appropriate time to meet their needs. Staff training opportunities and Continuing Professional Development. Joint PE work between staff.	<b>£750</b>	Purchase of swimming costumes <b>£47.95</b>
To purchase adequate equipment.	Purchasing replacement stock and resources which will encourage physical activities and the development of identified skills during play and lunch times.	<b>£750</b>	Play equipment general: Sportsafe Annual Check: <b>£250 and £661.24</b> for remedial work after inspection. Repairs bill <b>£2,499</b> ; 6 x kit bags <b>£112.03</b> ; <b>£3.32</b> new netball net for playground.

**Total: £12,048.01**

Although this appears to an underspend, there are costs not included above that have been met by the quality of the workforce we employ e.g., Site Maintenance Officer assisting with preparation of Forest School and re-lining playground. Internal cover for releasing appropriate staff for intra school events and CPD.
