**Any other comments or suggestions**

My child loves going to Westminster primary school she has been doing so well and has a fantastic relationship with XX and XX also her class mates she settled in very well  
  
 My child has been at this school since reception and comes home every day happy and is always eager to tell me what he has been doing during the day. I always ask him "how was school today" and he always replies "good".  
  
 Keep it up  
 I find it difficult doing things online I cant access it and I was a bit surprised that they are getting homework at age 5, reading yes but I was surprised  
  
 Brilliant school couldn't ask for better you are all amazing  
 Homework to be updated regularly as mine go through them quick. Maybe more outdoor activities in summer months as mine have both enjoyed the forest school but I dont agree with them doing in the rain as with covid and things happening I feel its inappropriate.  
  
 My child has always mostly enjoyed school, occasionally she has begun to be withdrawn but it is addressed once it has been noticed and she's much happier now.  
  
 I don't think that the awards at the end of the week are fair, some children have had them several times when others haven't had them at all.  
  
 It's a good school
