

### Westminster Headlines

In assemblies this week the children have been learning all about our school's vision and values

*inspire believe achieve.*

Certificates awarded at our weekly celebration assembly are linked to our school's vision and values.

Cricket started this week with Coach Tom from the Cheshire Cricket Board. The children will be taking part in weekly cricket lessons for the next 12 weeks.

The children in year 6 harvested vegetables from the school's allotment in readiness of soup making next week. The children proudly reported that they have collected carrots, onions, beans and garlic from our allotment.

### Attendance

Attendance and punctuality is very important to our school.

**This week our attendance as a school was 96%.**

As a school we are striving to achieve 100% attendance each week. Attendance this week has not hit target - please ensure your child is in school every day.

### Cycle Safety

If your child is cycling to and from school, they **MUST** wear a cycle helmet. The same goes for if they are using their bike outside of school. PCSO Wynne will be coming in to school to speak to the children about the importance of cycle safety.
