## Chester Zoo

Over the next three weeks Chester Zoo will be visiting our school and working with the children in Years 3, 4 and 5. The children will be learning all about protecting and creating safe spaces for our native local wildlife. The children will then enjoy a visit to Chester Zoo to complete their project. The zoo is also providing all families with zoo passes. These will be given to parents at the end of the project.

## Attendance

Attendance and punctuality are very important to our school.

Attendance and academic performance are strongly linked, so it is importance that all children are in class on time every day at 8:30.

Let's continue to work together to ensure our children don't miss a moment of their learning.

This week our attendance was **94.74** which is lower than we would like. Remember we are striving for **100%**

## Extra Curriculum Sporting Events

Coach Aiden has been working hard to get our children ready for some forthcoming sporting events.

Wednesday 29<sup>th</sup> November Year 2 will be taking part in the multi-skills event.

Tuesday 12<sup>th</sup> December a group of children from Years 5&6 will be taking part in this year's Boccia tournament.

## Lantern Workshop

This year's lantern Parade and Christmas Lights switch-on is Friday 1st December.

As part of this event, the children in Year 5 will be taking part in a lantern making workshop in readiness of the Lantern Parade. The children are invited to take part in the parade with their lantern. An opportunity not to be missed.

Small changes,  
big differences.
