

THANK YOU

A big thank you from Miss Dunn and the staff for your support over the last half term. Turn out for events has been fantastic and it has been great to see so many parents and carers actively involved with the school.

Attendance

Attendance and punctuality are very important to our school. Attendance and academic performance are strongly linked, so it is importance that all children are in class on time every day at 8:30.

Let's continue to work together to ensure our children don't miss a moment of their learning.

This week our attendance was **94.86%**

This is still low.

Remember we are striving for **100%**

Breakfast Club

We will be trialing a breakfast club starting after the Easter break. Please contact school first if you are interested in accessing the club.

The club will run daily and doors will only open at 8.00 am and will cost £1 per day. **This will be bookable and paid in advance on ParentPay only.**

Initially there will be a limit of 20 places, which **MUST** be booked in advance. You will not able to turn up on the day without booking and there will no entry after 8.15 am to allow enough time for the children to eat and be ready to start their school day promptly at 8.30 am.

Swimming

Year 5 will be going swimming after the break. This will be every Tuesday morning from **23rd April 2024**.

Please ensure your child has a full swim kit with them on the day. The bus leaves at 9.30 prompt.
