

## Reporting Illnesses

Please inform school if your child is diagnosed with Strep Throat, Scarlet Fever, Rubella or Slapped Cheek.

If your child is diagnosed and prescribed antibiotics or penicillin school MUST be informed of what they have been diagnosed with.

Please DO NOT make the decision yourself whether or not school needs to know. Not reporting these conditions may put children and staff at risk.

## Attendance

Attendance and punctuality are very important to our school.

Attendance and academic performance are strongly linked, so it is important that all children are in class on time every day at 8:30.

Let's continue to work together to ensure our children don't miss a moment of their learning.

This week our attendance was **94.18%**.

**This is very low.**

Remember we are striving for **100%**

## Trips
