

This policy is informed by our Trust's vision of inspiring all - pupils, staff and our communities - to believe in their own ability in order for them to achieve the best possible outcomes, both academically and socially. By living by our values of being innovative, responsible and caring, we create powerful learning communities - positively impacting all of the Weaver Trust community.

1. Introduction

- 1.1 Weaver Trust uses closed circuit television (CCTV) images for the prevention, identification and reduction of crime and to monitor Weaver Trust buildings in order to provide a safe and secure environment for pupils, staff and visitors, and to prevent the loss or damage to school property.
- 1.2 CCTV surveillance at Weaver Trust is intended for the purposes of:
 - protecting Weaver Trust buildings and school assets, both during and after school hours;
 - promoting the health and safety of staff, pupils and visitors;
 - preventing bullying;
 - reducing the incidence of crime and anti-social behaviour (including theft and vandalism);
 - supporting the Police in a bid to deter and detect crime;
 - assisting in identifying, apprehending and prosecuting offenders; and
 - ensuring that Weaver Trust rules are respected so that Weaver Trust can be properly managed.
- 1.3 The system comprises of a number of fixed cameras. (11 see site map if required).
- 1.4 The CCTV system is owned and operated by Weaver Trust and the deployment of which is determined by Weaver Trust's leadership team.
- 1.5 The CCTV can be monitored from Weaver Trust offices. This gives us 'live view'.
- 1.6 Weaver Trust's CCTV Scheme is registered with the Information Commissioner under the terms of the Data Protection Act. This policy outlines Weaver Trust's use of CCTV and how it complies with the Act.
- 1.7 All authorised operators and employees with access to images are aware of the procedures that need to be followed when accessing the recorded images. All operators are trained in their responsibilities under the CCTV Code of Practice. All employees are aware of the restrictions in relation to access to, and disclosure of, recorded images.
- 1.8 Weaver Trust complies with Information Commissioner's Office (ICO) CCTV Code of Practice to ensure it is used responsibly and safeguards both trust and confidence in its continued use.

- 1.9 The use of the CCTV system will be conducted in a professional, ethical and legal manner and any diversion of the use of CCTV security technologies for other purposes is prohibited by this policy e.g. CCTV will not be used for monitoring employee performance.
- 1.10 CCTV monitoring of public areas for security purposes will be conducted in a manner consistent with all existing policies adopted by Weaver Trust including, including Equality, Information and Objectives, Anti-bullying and Professional Relations.

2. Justification for Use of CCTV

- 2.1 2.1 The use of CCTV to control the perimeter of Weaver Trust buildings for security purposes has been deemed to be justified by the leadership team/governors. The system is intended to capture images of intruders or of individuals damaging property or removing goods without authorisation or of antisocial behaviour.
- 2.2 CCTV systems will not be used to monitor normal teacher/student classroom activity in the schools.
- 2.3 In other areas of Weaver Trust where CCTV has been installed, e.g. Weaver Trust offices and Reception areas, Weaver Trust has demonstrated that there is a proven risk to security and/or health & safety and that the installation of CCTV is proportionate in addressing such issues that may have arisen prior to the installation of the system.

3. Data Protection Impact Assessments

- 3.1 Where new CCTV systems or cameras are to be installed, Weaver Trust will carry out a full Data Protection Impact Assessment identifying risks related to the installation and ensuring full compliance with data protection legislation. This may involve the need for consultation with staff, parents and local residents.
- 3.2 Where existing CCTV systems are in operation as of May 2018, Weaver Trust will endeavour to carry out a full Data Protection Impact Assessment on any upgrade or replacement of the system or within a 3-year period from the date of the implementation of UKGDPR, whichever is sooner. (May 2021 unless changes are made before this).

Weaver Trust will make every effort to position cameras so that their coverage is restricted to Weaver Trust premises, which may include outdoor areas.
- 4.3 CCTV will not be used in classrooms.
- 4.4 Use of CCTV to monitor areas where individuals would have a reasonable expectation of privacy would be difficult to justify. Weaver Trust has endeavoured to select locations for the installation of CCTV cameras which are least intrusive to protect the privacy of individuals.
