Curriculum Highlights Year 3

Year 3 have been developing their map skills by exploring continents and oceans using both an atlas and a globe. They were especially excited to spot familiar places, locating Ellesmere Port in the atlas as the home of our school! The lesson sparked curiosity about the wider world and where we fit within it.

Dear Parent / Carer,

We hope this letter finds you and your family well.

We're reaching out from the NHS Cheshire Mental Health Support Team (MHST) that works with your child's school.

As a parent, you play a crucial role in understanding and supporting your child's emotional health. We are inviting you to complete a brief questionnaire (only 2 questions!), designed specifically for parents. This questionnaire will help identify if your child may benefit from additional support.

Completing the questionnaire is easy and can be done at your convenience. It typically takes less than a minute to complete. Your responses will remain confidential and will only be seen by the MHST and a designated member of staff in school, to help us understand your child's needs. The questionnaire can be accessed using the QR code below, or if you would prefer a paper copy, please do ask staff at the school.

Please complete the questionnaire by Friday 24th October 2025. Once you have completed the questionnaire, the MHST will be in touch, by letter and if needed, explore further support options.

Please don't hesitate to contact us if you have any questions or would like more information about the questionnaire. We're here to support you and your family.

Thank you for your partnership in promoting your child's emotional well-being.

If you would like to fill in the questionnaire please scan this QR code or click the link

Helping people to be **the best they can be**

Dear Parents/Carers

We are delighted to be supporting Childline by taking part in the Kindness Challenge this October.

By supporting the Kindness Challenge you're helping to power Childline. Childline is there for all young people online, on the phone, anytime. On average, a child contacts Childline every 45 seconds.

Our Kindness Challenge

We will be spending a week creating more kindness in our school community by working through a list of kindness acts.

Fundraising
