Aspirations Week

We have had an incredible week celebrating **Aspirations Week**! Throughout the week, we've had the privilege of meeting an inspiring range of visitors — from a talented baker to a passionate barrister — each sharing their unique journeys, challenges, and successes. Their stories have encouraged us to dream big, work hard, and never stop believing in ourselves. Most importantly, they've shown us that curiosity and determination can open doors to exciting and unexpected opportunities. It's been a truly motivating week that has left us eager to explore our own ambitions and think about the endless possibilities the future holds.

"I have enjoyed this week as it has inspired me to think about my future and how I can achieve my goals."

"Aspirations Week has shown me that being curious about the future and working hard can help make our dreams possible."

"I found out that having a job that you enjoy and are passionate about is important."

"It's been such a privilege to watch the children engage with our visitors, asking thoughtful questions and showing real curiosity. Seeing their excitement about the future and their belief that their dreams can come true has been truly inspiring!" Miss Pierce

Halloween 'Spooky' Disco

A reminder that our Halloween 'Spooky' Disco for children in Years 1 to 6 is on **Thursday 23rd October 2025 from 16:15 to 17:30.**

This must be booked via ParentPay and £3 payment secures a place.

Payment secures your child's place.

The cost covers food & drink for every child. We look forward to seeing all of your fantastic spooky costumes and outfits!

* * *

Children in Reception will be having their own mini disco in class during the afternoon.

Parents of Reception children, please remember to send your child's costume in with them so that they can get changed for the party.

Sickness Absence

A reminder to all parents that when a child has been physically sick or has had diarrhoea, they need to be kept off school for **48 hours after the last bout of illness.**

We enforce this 48 hour period to try to limit the spread of nasty bugs and germs around school as much as possible.

Good hand hygiene is also very important as we come into the winter months, as there are lots more viruses around. Your support with this is appreciated
