Curriculum Highlight – Year 3

Year 3 had a great time this week in Science.

They have been busy looking at their topic of 'Rocks' and have begun to compare and sort different rocks based on the visual and physical properties.

They also enjoyed a really interesting workshop on their RE topic of the Baha'i Faith. Our visitor told them all about how the Baha'i Faith started and answered all of Year 3's questions.

They even got to look at some of the special books brought in by our visitor which was really fascinating.

It was a wonderful way to introduce our new topic!

Upcoming Events

Monday 24th November to Friday 28th November
UK Parliament Week

Monday 24th November
