Head Teacher's Update

Thank you all so much for a wonderful first term to our school year. Our new Reception children have settled in really well and are finding their feet around school.

We have had a very busy term, filled with lots of exciting, fun and educational events, visits, trips and experiences. As always, your children have represented our school in an exemplary fashion and we couldn't be more proud of them.

From Year 4's Residential trip to Conway, to the Soup Kitchen that Year 5/6 provided, from our wonderful whole school Harvest Festival celebration and visit to Hollymere, to our first Family Lunch for EYFS (other year groups to follow). We have thoroughly enjoyed sharing these experiences with you and your children.

We had an amazing Aspirations Week last week with some great feedback from our visitors and children alike. We have attended sporting events, and as always, your children have been fantastic sporting ambassadors for our school.

And our School Council certainly made a good impression on Justin Madders MP when he visited to talk to them. He said *"The reps aged 5-10 had some fantastic ideas for improving their school and local area. From litter picks to cookery competitions it was inspiring to hear why they wanted to be on the Council and how they got elected"*.

Thank you for supporting your children and our school so well and I look forward to seeing what adventures our next half term will bring for us all.

Miss Dunn

Miss E Dunn

See you after Half Term

Term starts again on Monday 3rd November.

Week 3 for lunches.

There will be no ham sandwiches available on the first day back so if your child would prefer to bring a packed lunch for this day they can do so.

All other meal options are the same.

Have a great week off!

Sickness Absence

A reminder to all parents that when a child has been physically sick or has had diarrhoea, they need to be kept off school for **48 hours after the last bout of illness**.

We enforce this 48 hour period to try to limit the spread of nasty bugs and germs around school as much as possible.

Good hand hygiene is also very important as we come into the winter months, as there are lots more viruses around. Your support with this is appreciated

(HALFTERM) **CAMP**
