## Year 1 - Florence Nightingale

Year 1 History lessons were brought to life when Florence Nightingale appeared to travel through time to visit our classroom!

She shared the story of her remarkable life and taught us all about her fantastic achievements, helping the children truly understand why she is such an important historical figure.

The afternoon was full of excitement as pupils dressed up, scrubbed floors just like nurses long ago, and explored a range of fascinating historical artefacts.

It was a memorable, hands-on experience that made learning history fun, meaningful and unforgettable.
